

MARIA SOLA

Digital Product Designer

✉ hello@mariasoladesign.com

I'm a mobile focused **UI/UX Designer** with a background in web development and graphic edition. During this last year I've been addressing my professional career to the **Product Management** and **Design Research** fields.

I'm familiar with **agile methods** (Scrum) and with the use of collaborative platforms at work (Jira, Trello). I'm interested in: **Human Centered Innovation** and **Design Systems**.
